

Center for Asian American Media
Latino Public Broadcasting
National Black Programming Consortium
Native American Public Telecommunications
Pacific Islanders in Communications

**KERA 30 Second
Esther Wu**

I think that PBS has been a leader in providing diverse programming. I've learned so much—not only about the Asian American community but about Latinos and about African Americans. I think that learning more about our diverse backgrounds our diverse cultures will lead to a better and tolerance of one another.

PBS is my source for discovery and understanding
