**KHET 30 Second**  
**Robert Iopa**

I think there's a lot of benefits to watching PBS, I think there's an incredible range of programming.

Skin Stories was inspirational to me as a professional, as an architect. It taught me about the reasoning behind some of the patterns and some of the figures. We as professionals try to accomplish the same thing in my own architectural practice.

My name is Rob Iopa. PBS is my source for cultural infusion.
