**WPBT 30 Second
Rosa Pache**

I came to the US when I was in 5th grade. I am a mom of two wonderful boys. The teacher called me one day and said "Your son is not paying attention to us during the alphabet. And then he says "...well, I already know," and he took the book and started reading and I can only attribute that to PBS on the television.

My name is Rosa Pache and PBS is my source for realizing potential in myself and others.
